# Who We Are

United Funeral Consumer Society (UFCS) is a membership advocacy group that supports families through one of life's most difficult moments — laying a loved one to rest.

Our sole mission is to serve our members. We are not affiliated with any funeral home, cemetery, or funeral goods manufacturer.

At UFCS, we believe every person deserves an affordable, dignified burial that honors their life and brings peace to surviving loved ones.

## What We Do

We educate and empower families on funeral planning to relieve unnecessary stress. Once you've decided on the type of service you want, UFCS contacts up to 3 funeral homes on your behalf to negotiate the lowest possible price.

This protects your family from upselling and overcharging — often saving thousands of dollars.
